Our Services

WELFARE AND ADVICE

Provides impartial information, advice, representation and advocacy to students.

Fun Fact: 91% of students told us that they felt better after contacting our advice service

We are a democratic charity that is led by students.

UWS Students' Union is a democratic, student-led charity representing over 19,000 students across five campuses: Paisley, Ayr, Lanarkshire, Dumfries and London. All students are automatically members of the Union.

We work in partnership with the University, while remaining an independent charity that is accountable to students. Our role is to represent students' interests, support their wellbeing and success, and create opportunities for connection, leadership and belonging.

A Widening Access University

We are proud to work alongside a university with one of the most diverse student populations in Scotland. Our student body reflects a very different demographic to much of the higher education sector:

- 75% of students are aged over 21
- 45% are the first in their family to attend university
- 30% of new entrants study full-time
- 51% of students are Scottish-domiciled
- 43% are international students

These characteristics shape everything we do as a Students' Union. Our trustees play a critical role in ensuring our strategy, services and governance are responsive to the lived realities of our students.

The Students' Union is a registered Scottish Charity, number SC049356 and Company Limited by Guarantee, number SC631885.

REPRESENTATION

We support Student Reps to feel confident in their roles. Student Reps strive to enrich the learning experience of current and future UWS students.

Fun Fact: 97% of Reps who received training found it valuable.

SOCIETIES

We support students to establish and run Student Societies and avail of volunteering opportunities. This helps students to make friends, gain experience, and develop their skills.

Fun Fact: We have 64 societies with over 1,100 members.

SOCIAL EVENTS

Our two events venues in Paisley and Ayr provide a safe and fun space for students to enjoy themselves and make lasting memories.

Fun Fact: We organised 28 welcome events with 1,429 attendees.

Despite significant pressures across the higher education sector, UWS Students' Union has delivered strong outcomes for students in recent years. These include:

- Record-breaking democratic participation, including a landmark referendum with 93% student support for major democratic reforms
- Sustained high satisfaction with our Advice and Welfare Service, supporting hundreds of students each year through academic, financial and wellbeing challenges
- Growth in societies, representation networks and student-led activity across all campuses, including significant expansion at our London campus
- Strong digital engagement, with our communications recognised across the sector for best practice in reaching and engaging students
- Improved organisational resilience through governance reform, strengthened financial oversight and investment in staff development

Our trustees have played an essential role in providing oversight, assurance and strategic direction through this period of growth and change.

WISE VALUES

WELCOMING

Always friendly and supportive, providing opportunities to meet new people, learn new skills and have fun.

INNOVATIVE

We are an ambitious Union and are unafraid to try new ways of working to ensure students receive the best services and university experience.

STUDENT LED

We are led by students for students and ensure that student voices are at the heart of everything we do.

EQUALITY & DIVERSITY

Advancing equality and breaking down barriers in all that we do.

Our Democratic Structures

UWS Students' Union is undergoing the most significant democratic reform in its history.

Following a two-year Democracy Review shaped by extensive student consultation, students voted overwhelmingly to approve new democratic and governance arrangements. These changes have now been formally adopted and are embedded within the Union's Memorandum and Articles of Association and Bye-Laws, which together set out the Union's constitutional framework and legal obligations.

In line with these governing documents, the Board of Trustees has been restructured to strengthen student leadership, ensure effective governance, continuity, and external oversight. The Board will comprise:

- The President and Vice President Education, who serve as trustees by virtue of their elected roles
- Up to four Student Trustees, appointed in accordance with the Articles and Bye-Laws
- Up to six External Trustees, appointed for their skills, experience and independence.

This structure reflects the Union's commitment to being student-led while meeting the requirements of charity law, the Education Act 1994 and OSCR guidance. It ensures that student voice remains central to decision-making, supported by a Board with the experience and capacity to provide robust scrutiny and long-term stewardship.

From 2025/26 onwards, the Union is implementing these agreed constitutional arrangements alongside the introduction of new student voice structures, including School and Campus Assemblies, and clearer frameworks for student policy-making. Trustees play a critical role in ensuring these reforms are implemented effectively, reviewed proportionately, and remain aligned with the Union's charitable objectives.

Developing Our Next Strategic Plan

The Students' Union is entering a period of strategic renewal. Our current Strategic Plan concludes in 2025/26, and we will shortly begin the process of developing our next multi-year strategy.

This will be an evidence-led process, informed by student insight, staff experience, external peer review and trustee oversight. As an External Trustee, you will:

- Help shape the long-term vision and priorities of the Union
- Provide constructive challenge and sector insight
- Support the Board in balancing ambition with financial and organisational sustainability

This is a genuine opportunity to influence the future direction of a values-driven, student-centred organisation.

Our vision is to create a better future for UWS students and the world around us.

Skills and Experience Sought

We are seeking External Trustees with significant senior leadership experience, who are comfortable operating at Board level and can bring strategic insight, challenge and assurance.

Following a recent review of Board skills and capacity, our priority areas for this recruitment round are:

This role is likely to suit individuals who:

- Have held senior leadership roles (for example, at director, partner, executive or equivalent level)
 - Are experienced in operating at Board or senior decision-making level, with a strong understanding of governance versus management
 - Enjoy working alongside elected student leaders, and are confident in supporting, mentoring and constructively challenging in equal measure
 - Are motivated by social impact, widening access to education and improving outcomes for under-represented groups
 - Are comfortable contributing in a values-driven, student-focused organisation where perspectives may differ from traditional corporate or public-sector boards
- **Finance and income generation** – including financial oversight, audit and risk, income diversification, commercial activity or social enterprise

 - **Digital, communications or data-informed decision-making** – using insight, analytics and digital approaches to improve impact, engagement and accountability.

We welcome applicants from a wide range of sectors, including the voluntary, public, and private sectors. Experience of charity governance is valuable but not essential; we are particularly interested in individuals who can translate senior leadership experience into effective trustee oversight.

Above all, we are seeking trustees who understand the value of student-led organisations and are motivated by widening access, equity and social impact.

External Trustees play a vital role in the governance and strategic direction of a student-led organisation.

- Supporting and constructively challenging the Chief Executive and senior staff

As a registered charity and company limited by guarantee, Trustees are both charity trustees and company directors, with associated legal duties.

Trustee names are published on the Scottish Charity Register (OSCR) and Companies House.

To be eligible, applicants must not:
